Party Guidelines

The host of the party must arrive at least 20 minutes prior to the start of the party. A \$50 non-refundable deposit is due at the time of party reservation. Parties canceled less than one month before party date will lose their deposit. Party reservations are made on a first come first serve basis. A reservation is not secure until deposit is made. Decorations are allowed as long as they do not disrupt the integrity of the dance studio. Food and beverages are allowed, but must be approved by In Motion Dance ahead of time. Garbage bags will be provided by IMD and you are responsible for all clean up of the party. Dirty street shoes are not permitted in the dance studio. The party host will inform all guests to behave in a respectful and responsible manner. Any damage done to In Motion Dane property will be the host's responsibility.
